***Pre-Work before attending Seminar II:**

- MUST watch Dr. Gohl's 'Inside the Adjustment' video.
- MUST watch Dr. Gohl's line drawing and be somewhat competent on this.
- MUST understand break analysis and know how to scope.
- SHOULD have attended Seminar I, but not necessary
- SHOULD have seen Dr. Gohl's pre/post comparisons.
- SHOULD watch Dr. Kametz videos on his website: <https://www.gohlclinic.com/gohl-clinic-in-carlsbad-blog/>
